To Whom It May Concern

**UC MAS MENTAL ARITHMETIC TRAINING ACTIVITIES**

U C MAS is desirous of conducting various activities to nurture the potential of students in mathematics and to enable them to master mathematical skills to be applied in their studies and careers.

I fully support each measure taken by U C MAS to assist all levels of students to be successful in their future careers.

Thus, I would like to urge all quarters to contribute and assist unreservedly to ensure that this programme is executed in the best possible manner.

May the contributions and collaboration of all quarters guide our students to academic excellence.

Thank you.
