**MESSAGE FROM THE CONSUL GENERAL OF MALAYSIA
FOR SOUTHERN INDIA IN CHENNAI**

It is indeed a great pleasure for me to convey my greetings and congratulations to the UCMAS Abacus Mental Arithmetic, India for conducting its 10th All India UCMAS National Competition this year. This kind of competition will greatly encourage the children to endeavor their skills in arithmetic calculations by using Abacus method.

I am being informed that this year championship competition will be participated by thousands of students from all parts of India. I believe the championship will provide a platform for the children to use their mental skills in calculating arithmetic systematically within the time limit given. I am confident that under the guidance of UCMAS Abacus Mental Arithmetic, India more children all over the country will get benefit under this competition and it would lead to improve their learning capabilities.

The continuous effort taken by UCMAS Abacus Mental Arithmetic definitely would discover genius and smarter children, thus it would create a talent for the new generation, in arithmetic calculation skills using their imaginative power.

I am delighted to know that the organization led by Mr. Basheer Ahamed, Chairman and MD UCMAS India and his team have taken great efforts and proactive in promoting the Abacus Mental Arithmetic in the country. I take this opportunity to express once again my Congratulations to the UCMAS India.

I wish the UCMAS India success in her endeavors in the near future.

Thank you,

ANUAR KASMAN
Consul General
